E compania "Caribbean Heavy Lift & Transport Aruba" di ATCO a capta atencion internacional

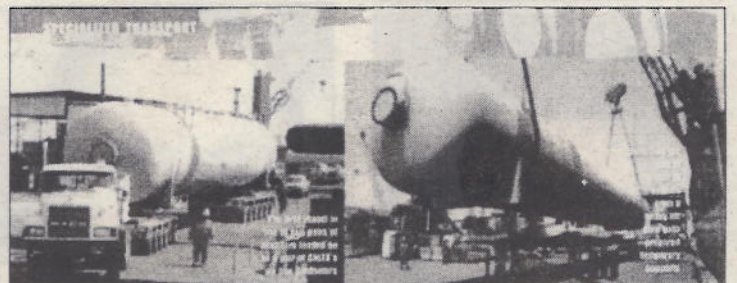

ORANJESTAD (AAN): Den su edicion di September, 2006 e revista "International Cranes" a publica un pagina completo di cobertura pa cu e trabaonan di transporte cu e compania local "Caribbean Heavy Lift & Transport Aruba" a realiza pa Refineria Valero hunto cu e contratista Starcon. Por corda ainda cu algun siman pasa mester a haci trabaonan pisa di "turn around" den e refineria pa

cual e compania Caribbean Heavy Lift & Transport Aruba, cu ta forma parti di ATCO, a haye cu un cantidad di transporte y hisamento di carganan pisa pa realiza.

E revista encuestion ta basa su mes riba "specialized transporte" cu ta precisamente local e compania local ta haci na Aruba tambe. Claro cu e mercado na Aruba ta mucho mas chikito cu otronan den e

region, pero asina mes de bez en cuando sa tin trabaonan interesante pa haci tanto na WEB como tambe na Valero cu ta dos di e companianan cu mas ta haci uso di e tipo di transportenan specialisa aki.

Algun tempo atras ATCO a hala masha atencion ora cu a haci uso di e "low boy" pa por a transporta un turbina completo for di waf pa WEB. E tipo di transportenan asina no ta sosode tur dia y den

Caribbean heat

The heat is on for Caribbean Heavy Lift & Transport to Aruba. The island's 275,000 barrels-per-day Valero refinery is the subject of major expansion and upgrade projects that are keeping the company busy, as GIBB GROUP found out.

pasado mester a haci uso di companianan di exterior pa por a keda cla cu e tipo di transportenan specialisa asina. Den caso di Valero, Caribbean Heavy Lift a sa di haci uso di un Modular Lifting Tower pa asina por a haci algun trabao di transporte y hisamento di carganan pisa.

Cu e articulo aki den e revista Mericano aki, Aruba ta haya promocion cerca un audiencia cu den su mayoria bez ta industrianan grandi o sea comerciantenan potencial. Tambe e ta muestra mundo henter cu nos isla tin companianan capaz y cu experiencia suficiente pa por realiza trabaonan specialisa di transporte di carganan pisa cu hopi otro no por. Pa Caribbean Heavy Lift & Transport Aruba y ATCO, e noticia positivo aki ta bini na un bon momento, debi cu nan a caba di haya e certificacion di mas

halto den ofrece servicionan di calidad y traha cu proceduranan y standardnan internacional. Siendo un compania cu ta cumpli cu standardnan di ISO 9001 y OHSAS 18001, ATCO y Caribbean Heavy Lift & Transport Aruba awor ta acaparando atencion internacional pa trabaonan cu ta worde realiza aki riba nos isla.
